**Celebrating
20 years of service
to the packaged
media industry**

www.dvd-and-beyond.com

Just left the movie – got the trailer to the sequel sent to her smartphone.

Already preordered the movie on Blu-ray with Digital Copy.

Listening to music while reading an eBook. And tweeting about it.

Give consumers what they want when and how they want it.

Whether it's Blu-ray, DVDs, CDs, video games, digital downloads, streaming music, social gaming, the latest interactive app or tomorrow's new format – Sony DADC delivers innovative supply chain solutions that enable content owners and distribution partners to meet consumer demand and capitalise on media opportunities, delivered to devices across the globe.
